OFFICE POLICY

In order to provide our patients with quality individual care, it is our philosophy to see only one patient at a time and give each person the special attention they deserve. Unlike most dental offices, we try not to double book patients. In order to do this, we require a commitment from our patients to give at least 24 hours notice before canceling an appointment so that we can continue practicing on a one to one basis.

Please note our office policy is to charge \$75.00 for cancellations without 24 hours prior notice. Thank you for your understanding.

FINANCIAL POLICY

Our office bills insurance companies as a courtesy to our patients. Although we will bill the insurance company, that does not guarantee their payment. The patient's account is ultimately the patient's responsibility. In the case which insurance does not pay for treatment, it is the patient's responsibility to cover any treatment that the insurance company fails to cover, whatever the reason may be. Our office will quote your estimated co-pay and upgrade fees, however, these are just estimates. The patient is responsible for getting exact insurance benefits directly from their insurance company, we will not be responsible for misquoted fees. A monthly accruing 5% finance charge will be made on accounts that are not settled within thirty days from the billing date.

Cancellation Policy

Time has been specifically reserved for your office visits. You are required to give us a 24 hour notice if you wish to cancel or reschedule your appointment. This will enable us to schedule another patient. If you fail to cancel without a 24 hour notice, you will be charged a \$75.00 cancellation fee. This is non-refundable, even if you decide to reschedule.

We make every effort to confirm your appointment 1-2 days before your scheduled appointment. This is a courtesy call only. It is your responsibility to call us 24 hours before an appointment if you are unable to keep your scheduled timeframe.
